Recently, a number of rumors have surfaced which have been suggesting that Tix is probably making its way back into the game. A Roblox Twitter account, Roblox Predictions V2, has stated that Roblox will try to bring back a feature that was removed from the game. This has led many players to believe that Tix might be coming back to the game.

Equally, if you get caught using an account generated through these programs, there are big consequences. The official Roblox site strongly advises against using schemes like account generators. They say that anyone asking you to input your details anywhere is scamming you, and that you won't receive a glitched account or free Robux. The terms of service also warn against it, too. They say that you cannot obtain "exploited game or experience content." This includes hacked accounts with Robux. If you're caught doing this, they reserve the right to immediately close your account.

However, you can always feel free to indulge in them if any of the risks connected with using fake Roblox generator cheats don't bother you.
